

It is hard to believe that we have reached the end of Term 1 already. There have been numerous things that have taken place across both campuses of St Anthony's School. In addition to the fantastic teaching and learning happening each day in our classrooms, the following are just a few of the events that have taken place this term: Students returned to school after their summer vacation, Foundation students started their schooling, Welcome Back Morning Tea, Meet & Greet Afternoon, Welcome Picnic, SRC Representatives elected, Morning Fitness each Monday, Friday masses, Daily Meditation, Commissioning Mass, Assemblies, Year 5 & 6 Camp, Pancake / Shrove Tuesday, Education Minister visit at Caulfield, Mayor visit at Glen Huntly, St Patrick's Day Celebrations, SAT Meeting, PFA Meeting, Swimming Carnival, Caritas-Project Compassion, school tours and promotion, Catholic Education Week, National Ride to School Day, Harmony Day - National Cultural Day, Easter raffle and, to end the term, Holy Week Liturgies. It's no wonder everyone is feeling a little tired!

### **WEBSITE UPGRADE NOW LIVE**

The new school website has been upgraded and now reflects the two campuses of the school. The landing page serves as a welcome to the two campuses that have their specific site information. I invite you to take a tour and see what St Anthony's Parish School has to offer. Please share this with your family and friends.

### **STAFF NEWS**

I wish to advise that Mr Tim Mooney Year 5/6TM teacher will not be returning to school as he has resigned. On behalf of the school community I wish him all the very best for his future and may he know that in the short time that he was at our school he has left some very fond memories. A replacement teacher is currently being sought.

Georgie (Fehervari) and Brett Timmins proudly announced the safe arrival of their little baby, William Brett, last week. Mum and bubs are both well.

### **SCHOOL ADVISORY TEAM (SAT) NEWS**

Annamarie McGann has resigned from her position as SAT member due to other commitments. On behalf of the team, I would like to thank her for the contribution she made during her tenure as a member. She was proactive and encouraging in the way that she kept the interests and wellbeing of the students and the community at the core of the work that the team took part in. Her service as Secretary was exemplary and always kept the team members up to date with all the documentation required. Thank you for your continued support. Congratulations to Hannah Irving who has been appointed as the parent representative of St Aloysius Campus to the St Anthony's School Advisory Team (SAT).

### **CABRINI HEALTH**

In partnership with Cabrini Health all students are able to receive a 50% discount when attending the Emergency Department by mentioning that you are a family of St Anthony's School, Glen Huntly. Please see details below for further information.

### **WINTER UNIFORM**

The complete Winter school uniform is required to be worn from Tuesday 23 April - Week 1 of Term 2. It is an expectation that everyone be in complete winter uniform from this time onwards. Sports uniform can only be worn on designated sports days or during the Swimming program. Don't forget to name all clothing, especially if recently bought please.

## ENROLMENTS FOR 2020

There is much to celebrate in Catholic schools today as we embrace teaching and learning at the best possible level for our students. At St Anthony's School both campuses show how the Catholic ethos and values are incorporated into our students' everyday lives through creativity and engaged learning. Please help to promote our school with your local neighbours and let them know that enrolments are now open for students who start school next year and that personal tours can be organised.

If you have a child that is due to start school next year a friendly reminder that applications should be submitted to the School Office.

As the holidays begin, I pray that Easter brings happiness and peace to your families and that the time together will be relaxing and rewarding.

Yours faithfully

Margaret Carlei  
Principal

### ***Easter Blessing***

*Lord, the resurrection of Your Son  
has given us new life and renewed hope.  
Help us to live as new people  
in pursuit of the Christian ideal.  
Grant us wisdom to know what we must do,  
the will to want to do it,  
the courage to undertake it,  
the perseverance to continue to do it,  
and the strength to complete it.*

# GENERAL NEWS

## EASTER RAFFLE

There has been a change with the way the Easter Raffle is being run this year. As a way of thanks, the staff has put together two large hampers and has placed each family's name in a box for Margaret to select the two lucky winners. The raffle will be drawn tomorrow in place of the cake raffle.

## SECOND HAND UNIFORM SHOP

Please note that there are many unclaimed items (uniform and non-uniform) in the Lost & Found box, especially after the Fair. In particular, there are items that are marked with names of students no longer at the school so it is very difficult to return the items to their owners. We encourage families to go through the green bin, which will remain as it is until the second week of Term 2. After which, all items will be sold as second hand uniform items.

## HEAD LICE

There have been several outbreaks of head lice in different year levels, over the last few weeks. The school recommends that over the holidays, each child's hair be examined thoroughly. When treated correctly, the problem of head lice can be overcome safely and simply. Further information is available at the Victorian State Government website at:

<https://www2.health.vic.gov.au/public-health/infectious-diseases/head-lice>

## SCHOOL PHOTO DAY 4<sup>TH</sup> & 5<sup>TH</sup> APRIL 2019

Professional school photographers from Advanced Life Photography attended school today and have taken individual, sibling, family and class photographs. Unfortunately the photographer who was scheduled to take the whole school photo became ill at the last moment and was not able to take the whole school shot. They will be returning to school tomorrow – so children are asked to again wear their **full summer uniform** and to be neatly groomed.

**Last Chance!**  
to order  
your child's  
school photos  
(without the late fees!)

Your school photo day has now passed and all students have been photographed regardless of purchase.

## VICTORIAN INTERSCHOOL CHESS CHAMPIONSHIPS

With only two participants from St Anthony's Primary School (while other schools had up to 10 and 12 students) the efforts of Sam and Francis placed St Anthony's School 10<sup>th</sup> out of 84 participants, with Francis placing 3<sup>rd</sup> overall. What a dynamic duo these two are! Congratulations!

## Curriculum Term 2 – Health and Physical Education

Dear Families,

The curriculum focus for Term 2 will be anchored in the Health and Physical Education curriculum where our students will develop the knowledge, understanding and skills to strengthen their sense of self, and build and manage satisfying relationships. This curriculum helps them to be resilient, and to make decisions and take actions to promote their health, safety and physical activity participation. The two key concepts underpinning this curriculum are **Choice** and **Lifestyle**.

Next term's curriculum has been expertly designed by our teachers to include the key knowledge which is relevant for each year level. Lessons will also provide our students with the opportunity to relate their developing knowledge of this curriculum to real life experiences. We look forward to the multiple opportunities our students will have to participate in physical activity next term with the upcoming Inter-school Sports Program – Football and Netball Years 5 & 6), Swimming Program (F-6), District Cross Country (3-6) and District Soccer, Football and Netball Lightning Premierships (Years 5 & 6). We will also be introducing The Resilience Project to our community and Healthy Harold from the Life Education Van will also be stopping by for a visit. Look out for these key dates in the St Anthony's Parent Calendar.

### Term 2 Sporting Events

#### SWIMMING

All students from Foundation to Year 6 will be participating in 8 swimming lessons delivered across 2 weeks mid next term. Students will be travelling to and from school by bus to GESAC for these 40 minute lessons. A note informing families about the details of the program will be sent out at the beginning of Term 2.

#### INTER-SCHOOL SPORTS

Students from both campuses in Years 5 and 6 will be participating in this valued program in Term 2. Students will have the opportunity to play either football or netball against other Catholic primary schools in our area. The purpose of this program is to assist our students to develop relationships with students in other school settings and to encourage participation in a variety of sporting activities.

## CROSS COUNTRY

The Years 3-6 students will have the opportunity to put their running shoes on and participate in some training based at school before the big day. More information will be provided early next term.

We look forward to an actively engaged term of learning. By the end of Term 2 our students are likely to be healthier, happier and 'holiday ready' again.

Wishing you all a restful break and an enjoyable Easter,

Peta Overbury

# Literacy Corner

Dear Families,

What a busy term it's been for Literacy learning across the school. Our students have had opportunities to practise their reading, writing, spelling; and speaking and listening skills during the daily 2 hour Literacy block. Here is a snapshot of the wonderful learning that has taken place during the term.

The Foundation students are engaged in hands-on rotation activities using their SMART spelling words. Each week, the students have a different word and sentence as their focus.

Year 5/6 have been practising their speaking by presenting their Australian Prime Minister research projects (slides or a poster) to their class mates. They have prepared key word cards so that they can maintain eye contact with their audience. In addition, they have talked about speaking clearly at the right volume and using expression to engage an audience. During the presentations, students have been practising respectful and whole body listening. At the end of each presentation, the speaker has selected three students to make constructive comments about the presentation - what worked well and how they could have made it even better.

In Year 1/2 they have been learning about the different letter sounds. Today we played alphabet bingo where we had to say the name of the letter and the sound the letter makes

(sometimes a letter can make more than one sound). We used rhyming cards with pictures. We worked with Mrs. Clausen

on our vocabulary to work out what the pictures were and then we identified the different words that rhyme.

In Year 3/4 students have been working on writing a variety of text types such as recounts, newspaper reports and Narratives. An important component of the Writing process is that students can edit their own writing to check that it makes sense, spelling, grammar and punctuation. Students have also had an opportunity to edit their peers' writing and provide them with feedback.

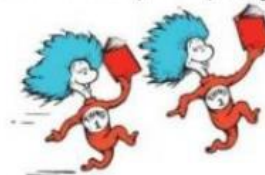

Enjoy the holidays and don't forget to keep reading!

## OUR SCHOOL IS BECOMING RESOURCESMART

This year our school is taking action to become more environmentally sustainable through a Victorian Government initiative called ResourceSmart Schools.

ResourceSmart Schools is a program that helps our school embed sustainability in everything we do. We are aiming to reduce our resource use (like electricity, waste water) plus support indigenous plants and animals. This will also help us to save money. We also want to involve students, families and other members of our school and local community.

We are working with Laura Nix from CERES Environment Park on the actions of the Core and Waste Modules.

This year, we are aiming to create a strong foundation for our sustainability program, monitor our resource use by using a free website called ResourceSmart Online, improve our gardens, improve our energy/waste/water systems and most importantly, get our community involved.

We can't wait to share our achievements with you, as we contribute to a sustainable future for all.

Read more about ResourceSmart Schools at <https://secure.resourcesmartschools.vic.gov.au>

*And that's a wrap...*

We made it to the finish line!!!!

As we wrap up our 2019 St Anthony's Fair we would firstly like to congratulate everyone who participated in our event.

The help, advice, expertise and enthusiasm that was shared on Saturday and in the lead up to our Fair showed us the true value of being part of the St Anthony's community.

We are a small school and we were dished up some very ordinary weather, however this did not stop the levels of passion and enjoyment. Not to mention the success of the Fair.

Drum Roll please...we raised just over **\$24,000** with the final tally to still come which we are ecstatic about.

We asked a lot of our families in donations and volunteering in the lead up to the Fair. I hope we can all take pride in knowing how we contributed, will directly enhance our children's learning and experiences at St Anthony's Primary School.

Many thanks again and enjoy a rest over the School Holidays.

#### Raffle Winners:

##### Major:

- 1<sup>st</sup> – Susie from North Caulfield  
(ticket purchased from Rudra)
- 2<sup>nd</sup> – Sneha Mistry  
(ticket purchased from Yuvi)
- 3<sup>rd</sup> – Scott Williams  
(ticket purchased from Hannah)

Cake Raffle: Thanks to Kylie King for an amazing cake won by Georgie Lopes

#### Highlights:

- Amazing cake stall and how good was the raffle cake
- Choc toss – phenomenal but disturbing results, Hamilton family banned from participating. Georgia Miller BOG for recruiting participants
- Dunking machine antic – thanks Jo Kirkham complete with snorkel (how hard was it to get back on the seat!!) Matt Hamilton and Ned O'Neill for providing the entertainment! Thumbs down to Tim Hamilton and Scott Sinclair who let numerous intruders hit the red button, how were those dodging skills!

- How good was that first piece of toast Sunday morning with the delicious Apple and Raspberry Jam, went perfectly with my cup of tea. Surplus supplies of preserves will be sold at our Election Day BBQ.
- Lucky bottles sold out fast, hope you didn't end up with a dud!
- How was our roving stylist, more than a few outfits were thrown together and personally styled.
- Silent Auction went off with many happy punters collecting a bargain!
- How good did the kids art look – the hand crafted wings were amazing. It's not too late to purchase. \$10 per canvas, please contact the office.
- Books, books, books – tucked away near the office, despite not getting a large amount of foot traffic they worked hard sharing the stories of the world!
- Lucky ticket, get your lucky ticket – spinning wheel prizes galore
- And who didn't come home with that stinking bug ridden soft toy – thanks to the TnT team who endured leaks and the elements to make a great profit.
- Live music – what an amazing amount of talent our community has from the dancers, the Good Old Boys, Tony Brown, and the PJammers we certainly were entertained!
- Food stalls – mm the smells, the sights and the flavours! If you went hungry on Saturday there was something wrong with you!
- Rides – Rides open, rides closed, rides open! Good to see that a little water didn't dampen the spirits of our youth, so many laughs and smiling faces as they scaled the rock wall and rode with Thomas.
- Artisan – How pretty was the Artisan Stall, jewellery, terrariums, mobiles, all so cute. There are a small number of pots still available til Friday.

Notes:

- All receipts should by now have been forwarded to the office for payment and accounting purposes
- Collection of all loaned equipment must be collected by this afternoon from the Padua.

If you took any photos on the day,  
please send them through to

## Chess Club Enrolment Form

Term 2, 2019

---

Chess has been played for thousands of years across diverse regions and cultures. Chess club provides kids the opportunity to master this timeless art while socialising, having fun and sharpening their minds.

Through this interpersonal challenge it has been shown that kids develop analytical capabilities, foresight, planning, decision making skills, discipline and much more. These skills are helpful in both academic and personal life. While chess inherently involves competition, our club maintains an emphasis on emotional awareness and sportsmanship.

Throughout the term classes will involve learning strategy and tactics, exercises, games and a term-long tournament.

**FRIDAY 12 APRIL 1 - 3.30PM**

All players enrolled in the afternoon clinic on the 18th Jan participate in the tournament.

Hot Shots starter tournaments are a great way for pupils to experience match play in a multi-match round robin format.

Pupils play in their own colour ball programs red, orange & green against players of similar ages under qualified coach supervision.

# Learn music

here at school

Come and join in the fun of learning to play keyboard, guitar, violin, here at St. Anthonys Primary School, Glenhuntly.

Creative Music for Schools conducts a music program here at school each week.

Small group classes or one-to-one lessons of up to 30 minutes give children an excellent grounding in music where they will learn to read music and play their chosen instrument.

Tuition costs from \$17.00 per lesson and enrolments are now being accepted for limited places in term 2.

Interested parents should call Sharon during office hours on 9818 2333 or email [sharon@creativemusic.com.au](mailto:sharon@creativemusic.com.au)
