## PRINCIPAL'S NEWS

Dear Parents and Carers

### WELCOME

I warmly welcome Mrs Anabel Acosta-Harvey to the St Anthony's school community. Anabel is the new Administration Officer at the Caulfield Campus.

### CATHOLIC EDUCATION WEEK

Over the last week there has been a great deal to celebrate in Catholic Education. As part of the tradition of Catholic Education Week, Archbishop Comensoli hosted a day of celebration where all schools across the Archdiocese of Melbourne were asked to send representatives. The students started the day with the celebration of the Mass and then continued to Treasury Gardens to take part in a concert for students. Students from both our campuses attended the day but it was a particularly special day for St Aloysius Campus who were celebrating their centenary.

The week coincided with St Patrick's Day in recognition of the great influence from the Irish Religious Orders who first came out and settled in Australia in hope of setting up the Catholic tradition by preaching and living the Gospel.

I invite you to take some time out of your busy lives to read Archbishop Comensoli's address from that night.

So much can happen in only a few days across our world and as educators we always ensure that the protection of the children is paramount and that all cultures are respected. As it happens this week the school celebrates Harmony Day. The celebration of our cultural diversity is our strength.

21st March is Harmony Day, a day of cultural respect for everyone who calls Australia home - from the traditional owners of this land to those who have come from many countries around the world. Harmony Day is an Australian Government program and coincides with the United Nations International Day for the Elimination of Racial Discrimination.

The children have been taking part in Harmony Day activities during this week so that by participating in them, we can all learn and understand that all Australians from diverse backgrounds equally belong to this nation and enrich it.

**The message of Harmony Day is : EVERYONE BELONGS.**

#### **FAIR**

Let's pray that the day is filled with sunshine and great weather to help bring to fruition all the hard work and preparation that have gone into the event.

#### **SCHOOL PHOTO DAY 4TH APRIL 2019**

Professional school photographers from Advanced Life Photography will be at our school on Thursday, 4th April 2019. Students are asked to come dressed in full summer uniform and to be neatly groomed. Class group photos will be taken from 9.00am so please ensure your child arrives at school on time.

A portrait and a class group photograph will be taken of every student in the school, regardless of purchase. Photographs of your children taken as part of a class group will be distributed within their own class. Your child's name will appear on the class group photo.

Orders may be made online with Advanced Life Photography using the School Code **FWJ LGZ XVQ** or via an envelope on the day. Instructions and envelopes have been distributed to all students. **If you make an online purchase you do not need to return the envelope to school.**

Family portraits will only be taken of families who have ordered prior to photo day. Please note that online ordering for family portraits will cut off on 3rd April 2019.

#### **NAPLAN ONLINE**

Next week our Year 3 and 5 students will be taking part in the NAPLAN Coordinated Practise test to ensure the students' familiarity with NAPLAN Online, which will take place in May 2019. Year 3 and 5 Families will be receiving a flyer with information regarding NAPLAN today.

## ENROLMENTS

Our enrolment process for 2020 has commenced for both campuses. If you have a child who will be starting school next year (2020) please complete an Enrolment Form and hand to the school office at either campus.

All siblings enrolling for 2020 are required to submit an enrolment application to secure a place for next year. Applications must be submitted to the school office by 30 April 2019.

Yours sincerely

Margaret Carlei  
Principal

## GENERAL NEWS

### SACRAMENTAL PROGRAM

Our sacramental program for Year 3 students will be changing from this year so that the preparation for each sacrament is more meaningful and aligned with the children's spiritual and social growth and understanding.

This year we will commence a two year program for the Sacraments of Reconciliation (Confession) and First Eucharist (Communion). The students will receive the Sacrament of Reconciliation in Year 3 and then the Sacrament of First Eucharist in Year 4.

The Sacrament of Reconciliation will take place on the evening of **Tuesday 7 May at 7.00pm**.

### Victorian Premiers' Reading Challenge

The Victorian Premiers' Reading Challenge is now open and St Anthony's School Glen Huntly is excited to be participating.

The Challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition; but a personal challenge for children to read a set number of books by 6 September 2019.

Children from Foundation to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers.

To read the Premier's letter to parents, view the booklists and for more information about the Victorian Premiers' Reading Challenge, visit: [www.education.vic.gov.au/prc](http://www.education.vic.gov.au/prc)

## Catholic Education Week Celebrations St Patrick's Day Mass

**Inspiring students • Empowering teachers • Engaging parents**

Dear Families,

At St. Anthony's school, we recognise that resilience is crucial for students to achieve both social and academic success. To help students become more resilient they need to be explicitly taught practical strategies that promote positive mental health. Therefore, as a school, we have officially partnered with The Resilience Project to deliver an evidence-based program (following the Victorian Curriculum) - each student receives a learning journal for classroom activities, teachers are provided with extensive resources and undertake high quality professional learning and we involve our parent community through information sessions.

Throughout this program, students explore themes of Empathy, Gratitude, Mindfulness and develop their Emotional Literacy using film, books, stories, drama and other engaging activities. Combined with a whole school restorative practice approach and circle time activities, we are confident that we are giving students every opportunity to develop into resilient young members of our community. We are excited to begin this project in Term 2! If you'd like to know more, watch this short video presented by Hugh from the Resilience Project

<https://www.youtube.com/watch?v=i2RFkx0-aEk&feature=youtu.be> or check out their website here - <https://theresilienceproject.com.au/about-us/>

If you have any questions about the project please email me - [eclausen@santglen.catholic.edu.au](mailto:eclausen@santglen.catholic.edu.au).

best wishes,

Mrs. Emma Clausen

# Student Wellbeing - Every minute matters

Dear Families,

We all want our students to get a great education, and the building blocks for a great education begin with students coming to school each and every day. If students miss school regularly, they miss out on learning the fundamental skills that will set them up for success in the later years of school. There is no safe number of days for missing school – each day a student misses puts them behind, and can affect their educational outcomes. Each missed day is associated with progressively lower achievement in numeracy, writing and reading.. The table below highlights just how important every minute is.

<b>Just a little bit late doesn't seem much but....</b>			
He/She is only missing just...	That equals...	Which is...	and over 13 years of schooling that's...
10 minutes per day	50 minutes a week	Nearly 1.5 weeks per year	Nearly half a year
20 minutes per day	1 hour 40 minutes per week	Over 2.5 weeks per year	Nearly 1 year
Half an hour per day	Half a day per week	4 weeks per year	Nearly 1 ½ years
1 hour per day	1 day per week	8 weeks per year	Over 2 ½ years

<b>1 or 2 days ABSENT a week doesn't seem much but...</b>			
He/She is only missing just...	That equals...	Which is...	and over 13 years of schooling that's...
1 day per fortnight	20 days per year	4 weeks per year	Nearly 1 ½ years
20 minutes per day	1 hour 40 minutes per week	Over 2.5 weeks per year	Over 2 ½ years
Half an hour per day	Half a day per week	4 weeks per year	Over 5 years
1 hour per day	1 day per week	8 weeks per year	Nearly 8 years

# Literacy Corner

The school holidays are approaching and this time provides an opportunity for families to rest and spend time together. Often teachers are asked by parents how they can maintain good reading habits and routines during the school holidays. Below is an article written by Ryan Spencer from The University of Canberra with advice for parents about how they can make reading enjoyable during this time.

## Top tips to keep kids reading over the holidays

It comes as no surprise that children love school holidays! Being free of the restraints of going to school every day and being able to relax is a valuable part of growing up. The regular reading that is a part of many children's school day suddenly comes to an end as there are far more interesting things to do on vacation than read a book, right?

Research clearly shows that when students put down school books on their break, their reading ability also drops with it. Teachers frequently report that students return to school after their break with a lower reading level and interest in books, than when they left previously. Therefore it's vital that we continue to encourage our children to read widely and often whilst they are on holidays.

Here are my top tips to make sure your kids stay engaged with reading over the school break.

### 1. Make reading time fun (and quick!)

It is easy and necessary to make reading together the most fun time of every day. Read together with funny voices, try humorous books to engage the reluctant readers in your family and trust that "toilet humour" is often a sure-fire winner for most boys. You should aim for no more than ten minutes reading together – just enough to encourage the kids to come back tomorrow. Set a timer if you need to, it will encourage them to ask for a minute or two more when reading time comes to an end.

### 2. Visit bookstores and the local library

Make regular visits to bookstores and the local library part of your family's routine. These trips are simple ways to drive reading passion. Bookstores often sell brand new popular kids' books for less than \$10, much less than a movie ticket. Many children are amazed when they discover that they can borrow sometimes up to twenty books from their local library for free (and probably will the first time).

### 3. Allow children to choose what they want to read

Book choice is a vital component of the reading process. As adults, we very rarely read anything that we either don't love or enjoy. If we read a book and it takes a while to get going, or we lose interest, we simply put it down, or lend it to a friend. Why then do we insist that children must read cover to cover something that they don't necessarily enjoy or like? Often these imposed choices on children come from a place of love – we are trying to support the children in accessing a text that is at their reading level. It is often hard to let go and let children choose their own books, however it is vital to developing strong, self-sufficient readers. If you are picking up a book at the bookstore for your child during your lunch break, grab a few different titles. Having a choice to choose from will allow your children to have control over their reading process.

### 4. Have a 'screen free night' each week

Make a screen free night part of your family's regular routine where everyone in the family picks up something to read. Having your children see you read and talk about books adds value to this reading time. Different approaches to the screen free night may be to invest in reading lamps or book lights so that children can read in bed before sleep.

### 5. Give books as gifts

Birthdays for kids means presents, and more books in the house can never go astray. Gift the next book in the series that your child loves – *the 65 Storey Treehouse* by Andy Griffiths or the *Alice-Miranda* series by Jacqueline Harvey are great places to start. Encourage your child to lend and swap their books with friends once they have read them.

### 6. Read together using supportive strategies

When you are reading together with your child, it's a great idea to give them the option of how they would like to read. Provide the opportunity for children to choose whether they would like to read aloud or silently. Check if they would like to try paired reading if they feel like they need extra support with the book.

Working with your child to maintain good reading habits over their school break allows you to not only establish your family as active readers, but will give them the best possible start for when they return to school.

## Journeys into Nature: What is Nature Pedagogy?

As educators, we need to slow down: watch children fill themselves with all the possibilities of learning with nature and to allow children the time for a childhood full of excitement and joy inside, outside, and beyond. We firmly believe that all children should be able to learn through and with nature.

**Claire Warden** is an educational consultant who has developed her approach to nature pedagogy and experiential learning through a variety of experiences. Her experiences have taken her on a pathway that includes working in a variety of types of centre, advisory work, and lecturing in further education. Claire is currently based in Scotland but frequently travels to Australia, the United States and elsewhere.

This session is for early year's educators and kindergarten teachers.

- When:** Tuesday 26<sup>th</sup> March 2019
- Time:** 6pm for light refreshments, 6.30pm Workshop begins.
- Where:** Caulfield Park Pavilion Community Room, Balacclava Road, Caulfield
- Cost:** \$25 per person
- Presented by:** Claire Warden <https://www.claire-warden.com/>

## Information session for parents/carers of children with juvenile arthritis or other musculoskeletal conditions

Dr Angela Cox, Paediatric Rheumatologist from the Royal Children's Hospital, will present this session on behalf of Musculoskeletal Australia (MSK) along with MSK Youth Ambassador Sam Squires, who will share what it's like being a teenager living with arthritis.

MSK (formerly Arthritis and Osteoporosis Victoria) exists to support and represent the almost seven million Australians living with a muscle, bone or joint condition. MSK provides information, education and support services to empower people living with arthritis, back pain, osteoporosis and more than 150 other musculoskeletal conditions, so that they can live well and get the most out of life. These conditions don't just affect older people. In fact, one in 800 children in Australia live with juvenile arthritis. With this in mind, they have recently launched *MSK Kids* — a program specifically aimed at supporting young people and their families.
